# TNS

Interplanetary Airlines

Make your dreams fly!

# Our mission

To offer an innovative and technological service for the new frontier of trans-neptunian travel..

# Our vision

To help human pursue their childhood dream.

# About us

Eau de Lagrange foundend the Trans-Neptunian spaceway in 2019, based in Milan. We encourage space travel from the day we were born. A spaceway from space lover to space lover.

# Our clients

We fly both businessmen and tourists. From the entrepreneur travelling for work to family vacation. Everyone is welcome on board!

# Our services

We offer a restaurant, a spa, a private meeting room, a cinema, a gym and a panoramic room. All services will be supported by our stewards who can adjust themselves to the personality of the guest.

**Do you have a question?**

**Call us! Our customer service will be happy to respond to your requests.**
